

# Safeguard

## Terms and Conditions

- SafeGuard is offered to the Hirer as benefits for a set up lift of 20% in hire rate of each machine.
- All equipment is hired under Summit Platforms standard terms and conditions.
- Equipment must be stored securely.
- Any damage must be reported to Summit Platforms as soon as possible.
- Theft, vandalism and malicious damage must be reported to the Police and a crime reference number attained.
- Equipment checks are carried out as per manufacturer's instructions.
- Only trained and authorised personnel utilise the equipment.
- Exclusions for SafeGuard include:
  - Paint overspray.
  - Concrete damage.
  - Missing or damaged control boxes.
  - Deliberate machine misuse.
  - Tyre damage and punctures.
  - Use of contaminated fuel damaging filters and fuel lines.
  - Hydraulic oil in diesel fuel tank.
  - Diesel fuel in hydraulic oil tank.
  - Theft of batteries.
  - Damage to batteries.
  - Chemical corrosion.
  - Third party damage.
  - Damage to forks on tele-handlers.
  - Damage or replacement of glass on tele-handlers.
  - Damage to equipment by a third party.
  - Consequential loss.
  - Gross negligence.
  - Damage to equipment including telescopic handlers whilst being operated or driven on the public highway.
- Excess
  - £500.00 for any one claim for damage.
  - £2000.00 for any one claim in the event of machine theft.
- SafeGuard will be added to any account where an in-date copy of hirer own Hired In Plant Insurance is not received.
- Upon receipt of the Hirer's Hired in Plant Insurance, at a later date than that of credit application form, SafeGuard charges on the Hirer's account will not be retrospectively credited.
