London

Summit Platforms

Depot Based & Mobile Service Engineers

Due to continuous expansion, Summit Platforms are recruiting depot based service engineers (working from the London depot) and mobile service engineers to cover the London area (based at the London depot)

It would be preferable, but not essential, for engineers to be NVQ Level 2 qualified and hold a CAP card.

Relevant training will be provided.

Successful applicants will be offered an excellent remuneration package and benefits including a van and overtime.
