

SafeGuard

Terms and Conditions

SafeGuard is offered to the hirer for a set up lift of 20% in the hire rate of each machine to cover vandalism or theft of a machine.

All Equipment is hired under **Summit Platforms Terms and Conditions**.

Equipment must be stored securely at all times. In the event equipment is not stored correctly cover will be void. Theft or vandalism must be reported to the police and a crime reference number attained. In the event theft or vandalism are not reported to the police and a crime reference number attained, cover will be void.

SafeGuard covers theft and vandalism only, provided the equipment is stored securely at all times.

SafeGuard DOES NOT cover against damage caused to the machine.

Excess

£2000.00 for any one claim in the event of vandalism.

£5000.00 for any one claim in the event of theft.

SafeGuard will be added to any account where an in-date copy of the Hirer's own Hired in Plant Insurance is not received.

Upon receipt of the Hirer's Hired in Plant Insurance, later than that of the credit application form, SafeGuard charged on the Hirer's account will not be retrospectively credited.
